DISCLAIMER

This event is organised by FMM Johor Branch under the FMM Business Promotion Package. FMM reviews requests from solution and technology providers seeking a platform to create awareness of and market their products and services to FMM members. The FMM Business Promotion Package is offered where the solutions, technologies, products and/or services are deemed useful and relevant to improving members' operational efficiency. The offering of the FMM Business Promotion Package does not constitute an endorsement by FMM of any products, services or technology providers.
